# Brierholme Guest House is helping to protect the Lake District

We know you care about the beautiful places you love to visit here, and we do too! That's why we are proud to be a 'Visitor Giving' business.

The Lake District fells are enjoyed by millions of walkers every year but the mountain paths can be surprisingly fragile and the sheer number of boots leave a mark on the landscape.

Over time grass is compacted by heavy foot traffic and dies. Rainfall quickly washes away the exposed soil down the steep slopes into streams, rivers and eventually the lakes, where the increased amount of silt causes havoc for fish and other species.

The Fix the Fells team of highly skilled rangers and volunteers work tirelessly to repair our mountain paths and rely on donations.

When you book with us, we will ask if you would like to make a small donation to this fantastic cause. If you prefer not to donate, please just let us know.
